

HQN was created to facilitate the sharing of resources within the region. The professional teachers listed below will be in your area in the near future. If you would like to hire one to present a program or workshop for your guild or shop while they are in the area, contact the listed teacher. Groups from the same area who hire that person can work together to share travel and expenses.

Updated February 2, 2021 – Please know that these are the scheduled dates for guild meetings. At this time, we are unsure when guild meetings will resume. Please check with guilds if you are planning to visit to see when they will resume meetings in person.

For those meetings cancelled because of social distancing, programs may be rescheduled at a later date.

Many guild quilt shows for this year are being postponed – we will update new dates as they become available.
