amy bradley designs LC

My Talk: I share my story of how I became a quilt designer. I talk about where I get my quilting ideas and inspirations and how I take a thumbnail sketch to the marketplace. I show about 40 quilts and share a powerpoint presentation, including studio photos. I live in Lawrence, Kansas.
My Workshop: I teach fusible applique techniques and tips from 21 years of designing fusible applique patterns. They especially like all my stitching tips. Each participant can bring any of my patterns to work on in the class. I provide an 8" x 8" block to practice their new stitching tips. You would pay my travel expenses including lodging, mileage to and from the airport and airport parking. I also ask that you help pay for shipping my quilts when I travel by air. That fee is $100.00.
Prices: Guild talk - $450.00 for in state and $550.00 for out-of-state
Workshop - $600.00 for 6 hours.
