One-hour Group Presentation:

Fabricscapes: Painting with Fabric

This program shows examples of fabric collages made using raw-edge appliqué technique, with iron-on bonding and free-motion sewing. Each work depicts a story of travel, a record of time or an impression from nature, either real or pictured in memory. The process of creating landscapes out of fabric (*Fabricscapes*) will be explained.

1-200 Participants

Presentation Cost: $400 (additonal charge for mileage, food allowance, hotel) 45-60 minutes

Instructor Dave Walker is an award-winning, Juried Best of Missouri Hands Artist who has a BSE in Art Education and years of experience making and creating fabric collages. His *Fabricscapes* have been featured in galleries across Missouri, are currently displayed in patrons' homes and Hospitals from Florida to Alaska, and are available for purchase at Art Off the Trail Gallery in Rocheport (https://www.artoffthetrail.com/) and can be viewed online at: https://bestofmissourihands.org/walkerdavi/

Attention Quilt Guilds and Sewing Groups

Do you want to schedule a Fabricscape workshop and/or presentation?

Raw edge applique collage

Program Title: How to Create a Fabric Collage

3-hour workshop for those who…

- Want to create a non-quilted, raw-edge, bonded applique landscape collage.
- Want to learn more about design, composition, and perspective.
- Are open to improvisation and creative use of fabric.
- Have been saving small strips/scraps of interesting fabric and want to do something with them.

What is needed…

10-16 Participants

Classroom specifications: Projector, screen, and microphone, work tables, 2-3 ironing boards, irons, cutting boards, straight edge, rotary cutters, and assorted extension cords for irons. Projector, screen, and microphone.

Participants need to bring: Scissors for cutting PAPER and fabric. (Different size scissors could be beneficial). Participants are encouraged (NOT REQUIRED) to bring scraps of fabric that might be suitable for landscapes, skies, and water, such as: light to dark, shades of greens, blues, browns, variety of solids, prints, and batiks. Scraps of fabric with houses, barns, cows, animals, or objects of interest such as fences, flowers, trees, shrubs can be useful too.

About this 3 hour workshop…

-- Instructor will provide a PowerPoint presentation showing fabric collage examples and related instructions on how to create a unique fabric landscape.
--Participants will have the opportunity to add their personal touch with free motion sewing at home. Whether they choose to frame their finished collage or incorporate it into a quilt, each fabric landscape will be a testament to their unique style and personal taste.
--Instructor will provide iron-on bonding and all the fabric needed. Payment can be made the day of the workshop in cash, check, or credit card or collected in advance by the Quilt Guild Leader.

Cost of Workshop: $40 per participant depending on the size of the class. Cost of landscape material Kit: $30 kit).
Additional charge for mileage, food allowance, and hotel.
