Experience:

Karen has been a High School educator in Family & Consumer Science for over 23 years & counting! She has also been teaching quilting on the side for several years to those who want to dive deeper into their skill set.

Karen loves sharing her passion with others & one of her favorite things to teach is paper piecing.

Expertise:

Karen offers classes tailored to all skill levels, helping aspiring quilters discover their creativity and refine their techniques. Karen teaches hands on quilt retreats for quilt shops or groups with other pattern manufactures for a more immersive setting.

For a quicker, less intensive class, her Mariners Compass wall hangings are the perfect size to learn at a guild workshop.

APQS:

AMERICAN PROFESSIONAL QUILTING SYSTEMS.

APQS longarm quilting machines are simple to use, easy to maintain, & backed by an industry leading lifetime warranty on parts & labor.

Not quite ready to jump into owning your own longarm? Contact Karen about renting time on her 2 personal machines.

Long Arm:

Karen is an award winning longarm artist. She can custom quilt your top and help bring it to life. Her philosophy:

> *Quilting should be the best supporting actress & not take over the quilt.*

She has many satisfied clients with both custom and computerized edge to edge quilting at affordable rates. She takes pride in her fast turnaround time on edge to edge quilts.
