About Me

My name is Jessica Drugg. I am quilter, designer and an Advanced Certified Laura Heine Instructor. As an Advanced Certified Instructor I have experience teaching Laura's collage method and adding colors with InkTense watercolor pencils. I began traditional quilting about 15 years ago and started collage quilting in 2022. I look forward to meeting with new quilters and passing on my love of COLLAGE!

Workshops

Maximum of 20 students per workshop. One workshop day is 6 hours.

One Day—This style of workshop would be using one of Laura Heine's Teeny Tiny Collages or smaller individual collages. In this workshop, you will learn fundamentals to Laura's collage method and tips for success in the future. Tiki the Toucan pictured below is a one day collage.

Two Days—This style of workshop would be using one of Laura Heine's medium/ large collage patterns or a collage that incorporates InkTense. It is recommended but not required to have previous experience with collage. The Red, White and Blue flag pictured below is a two day collage.

Trunk Show

Trunk show is approximately 1 hour in length. The show will be the story of my journey with collage quilting and a brief explanation of the Laura Heine collage technique.

Fees and Travel

Workshops

1 day —$500.00

2 day —$700.00

Trunk Show

1 hour—$250.00

For events that are within driving distance, milage at current IRS rate. Airfare from Kansas City International airport plus baggage fees if applicable, overnight accommodations in a hotel and meals. I do require that a kit including the pattern, fusible and collage foundation be purchased by each student participating in the workshop. Kit cost will depend on the pattern selected. Fabric starter kits can also be available for purchase for certain collages. Contact me for availability and with any questions.
